

learn to draw

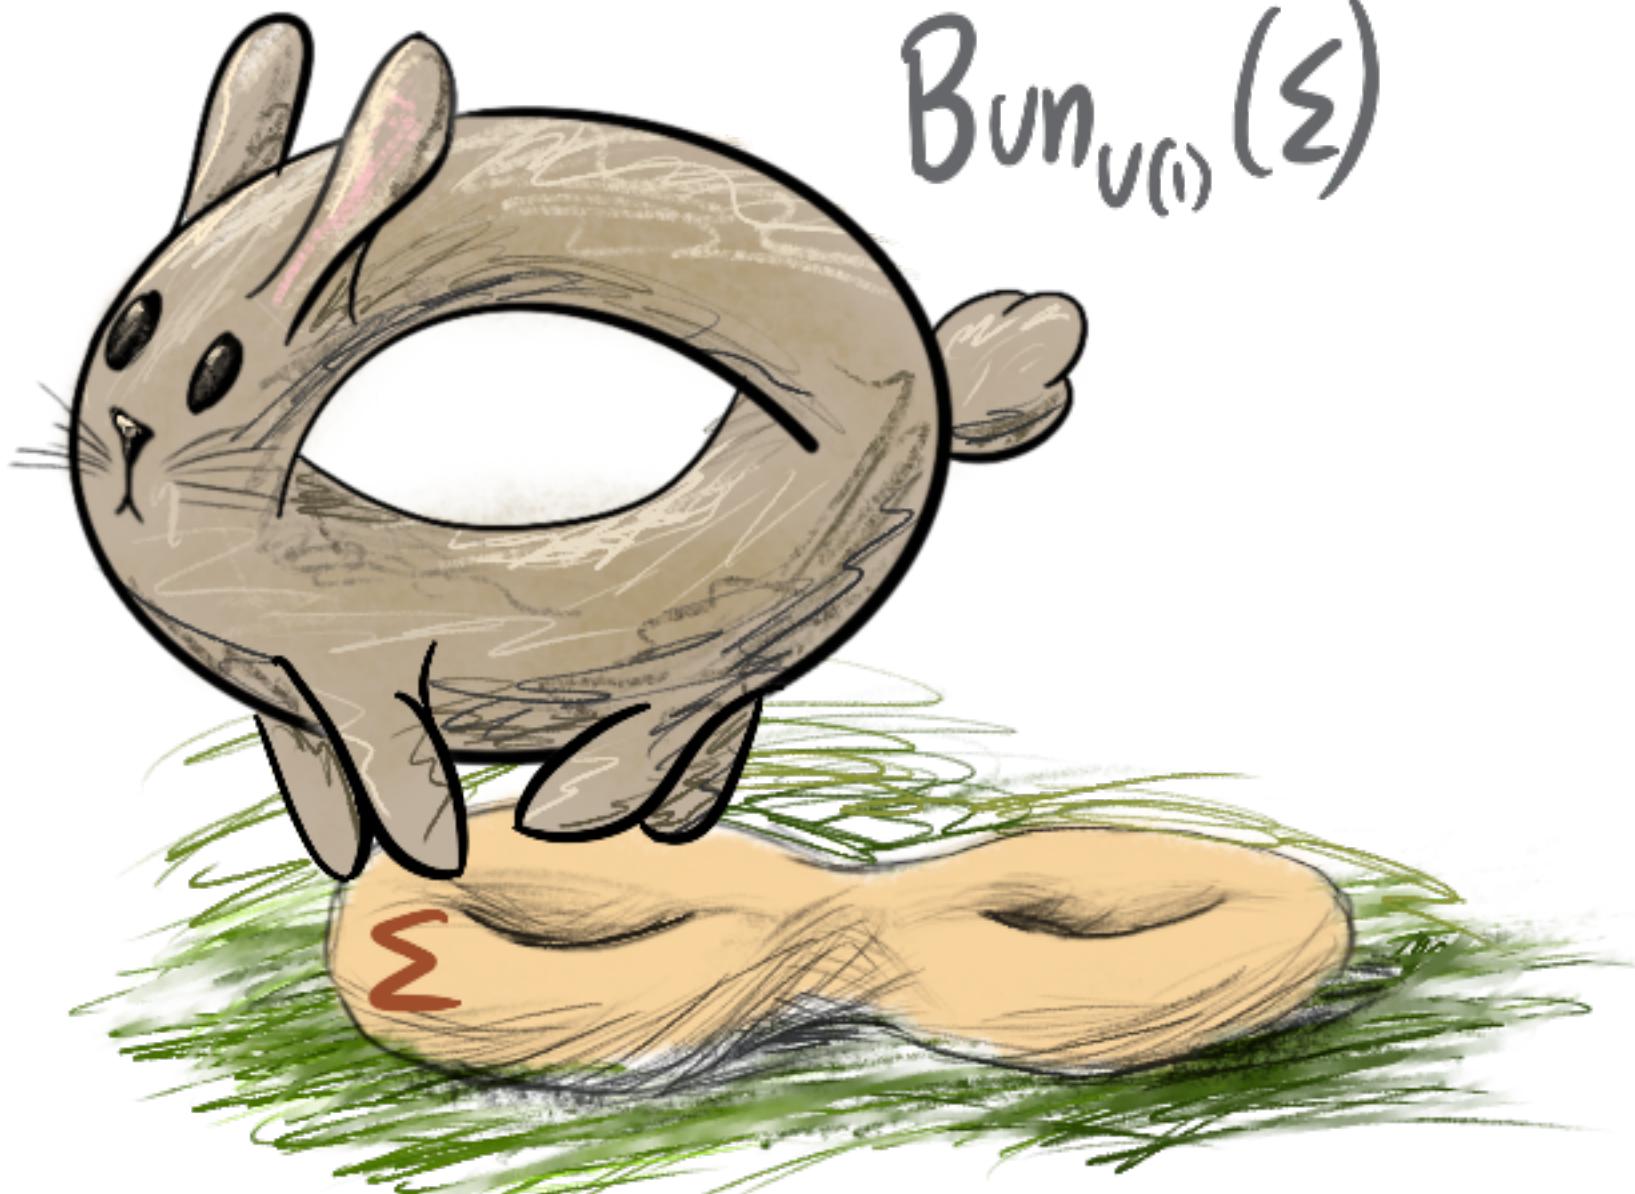

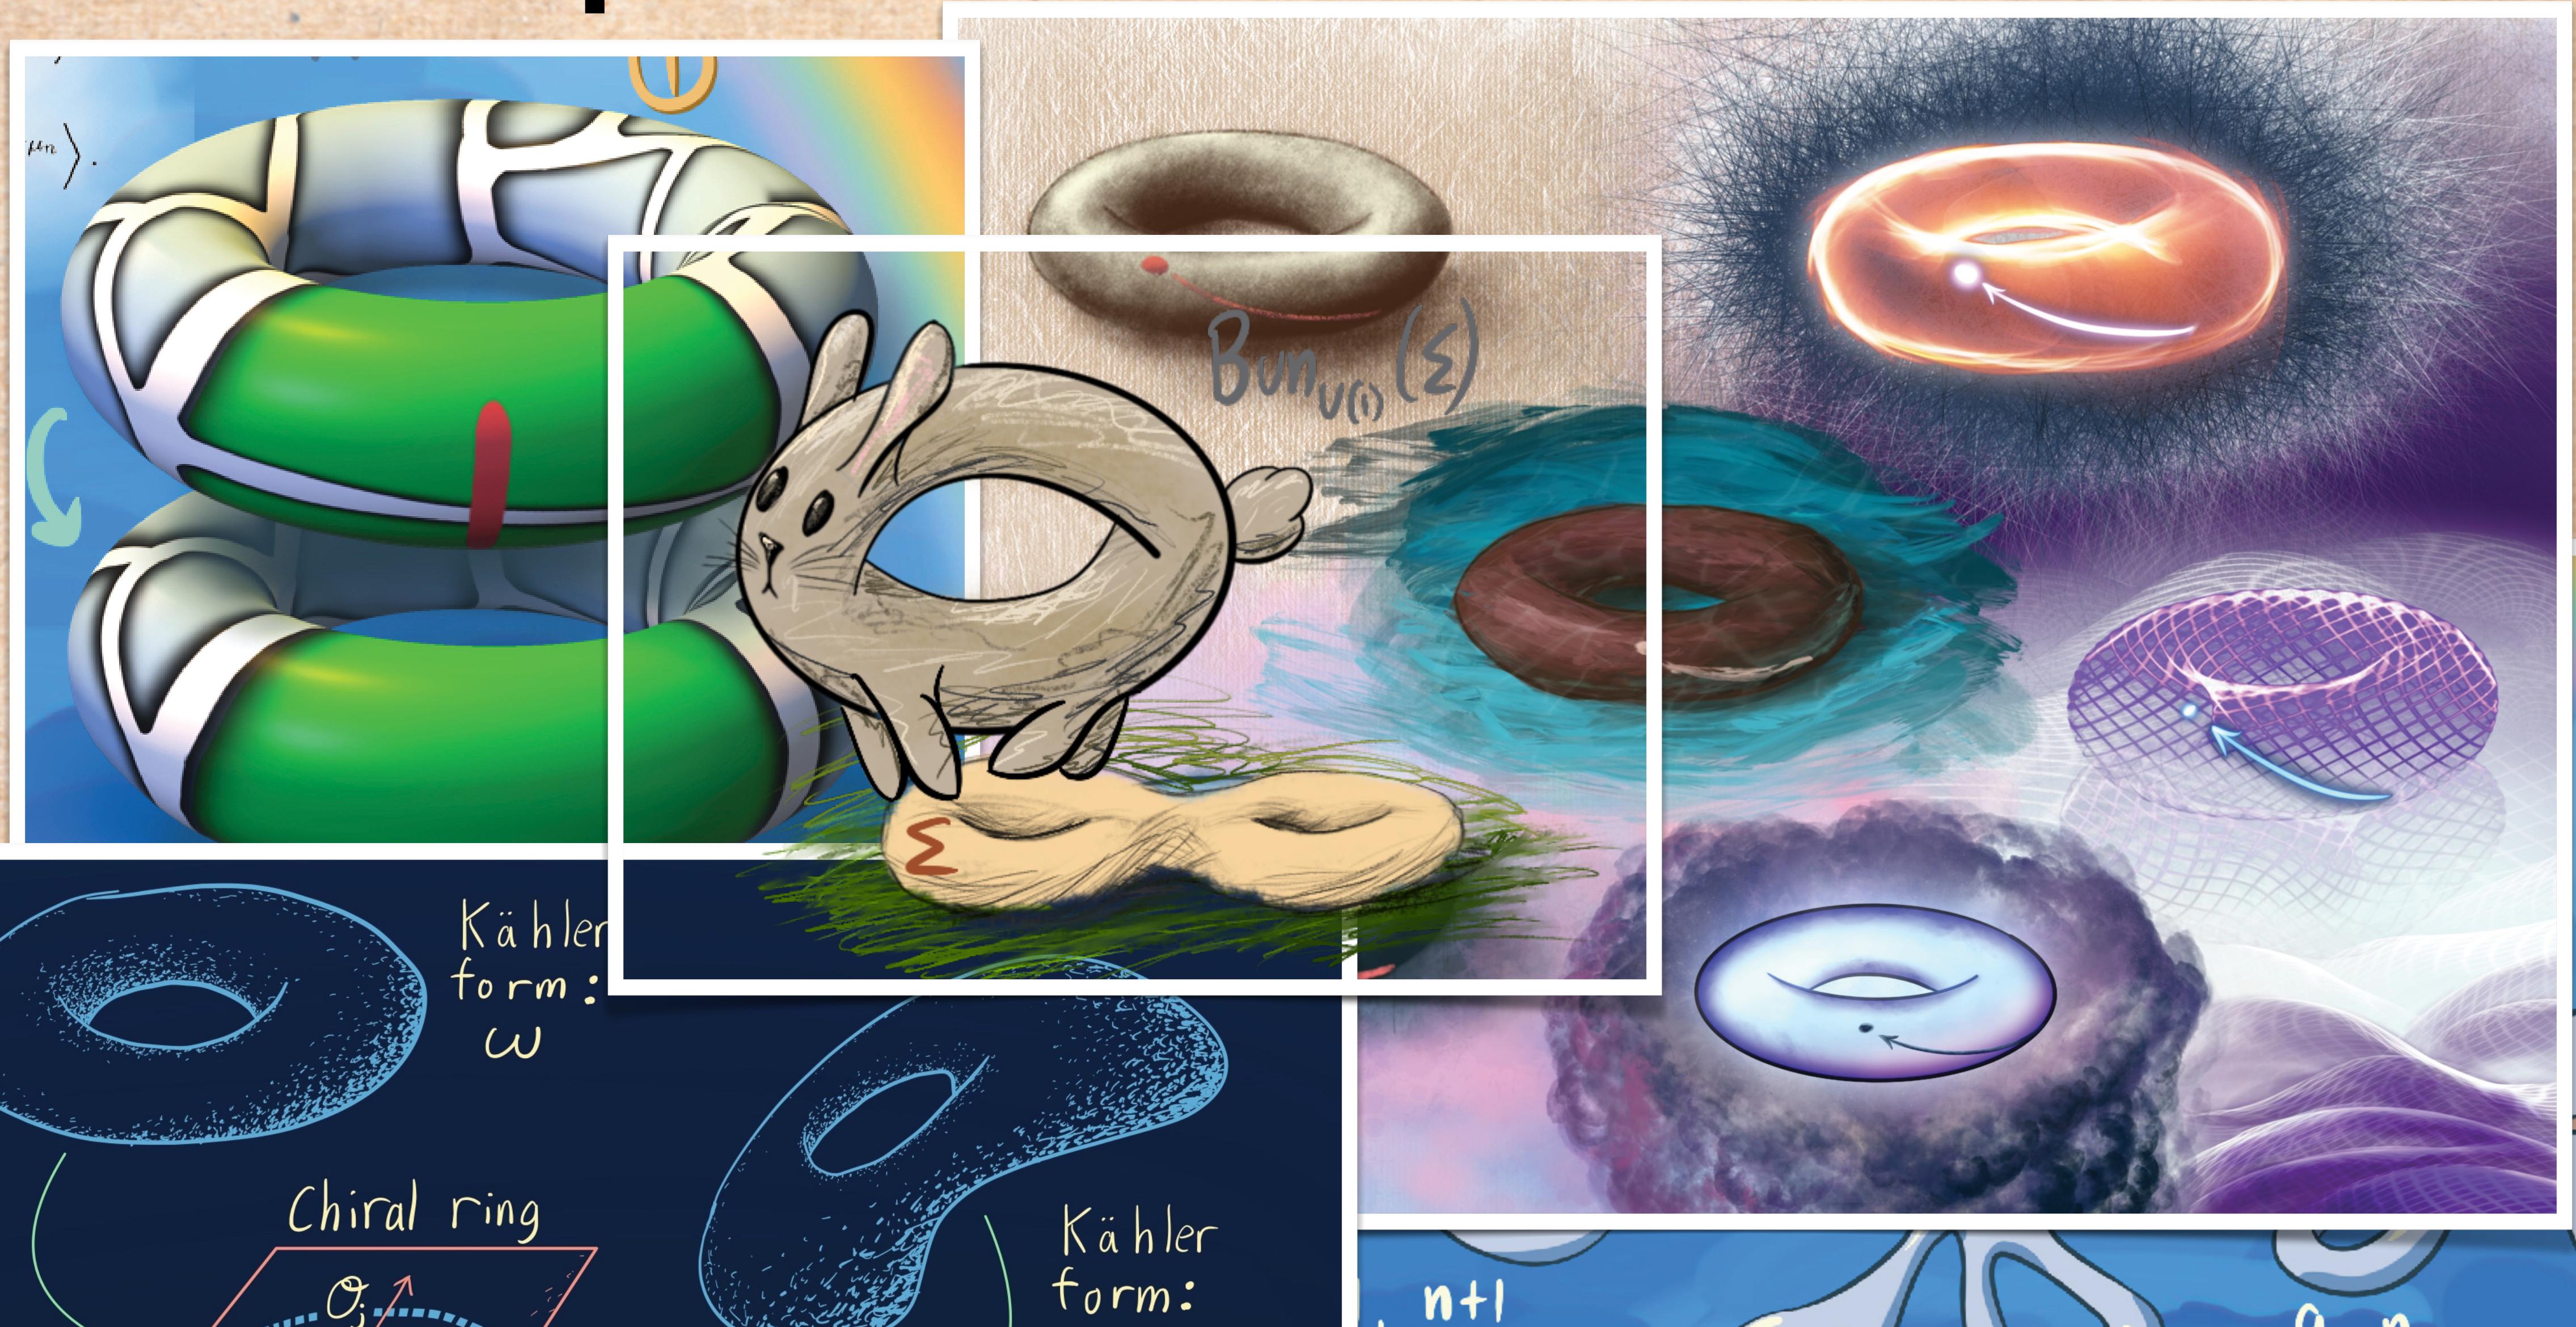

Kähler  
form:  
 $\omega$

Kähler  
form:  
 $\omega'$

$$\text{Bun}_{V(i)}(\Sigma)$$

# Tip 1: Learn to draw tori

# Tip 2: Slice things up

To visualize a high dimensional space:

- Draw low-dimensional cross-sections (like an MRI)
- Show how they fit together

Tangent bundle (4D)
